REPORT ON POSHAN PAKHWADA 2020 - HARYANA STATE

To celebrate the 2\textsuperscript{nd} anniversary of Poshan Abhiyaan, Poshan Pakhwada was celebrated from 8-22\textsuperscript{nd} March, 2020 (suspended on 17\textsuperscript{th} March, 2020 due to Corona scare) with the theme “Increasing male engagement in Poshan Abhiyaan to improve nutritional outcomes”.

During the planning phase of the Pakhwada, a video conference was addressed by Hon’ble Chief Minister and Chief Secretary, Haryana on 29-2-2020 with all the Deputy Commissioners in the State in order to make Poshan Pakhwada a successful event. Directions were issued to all concerned Deputy Commissioners to focus all the activities undertaken during the Poshan Pakhwada on Anaemia and malnutrition.

Several meetings were conducted at all levels i.e State, District and Block with the line departments to deliberate and plan the activities to be organized during Pakhwada. A State level meeting was held on 2\textsuperscript{nd} March, 2020 with Secretaries of all the line department to discuss and plan the activities to be conducted during the Poshan Pakhwada under the Chairpersonship of Chief Secretary, Haryana. At district level, Deputy commissioners were directed to spearhead all activities to be conducted during this fortnight. They were further instructed to mobilize the community at all levels, especially in villages and to monitor the activities of Poshan Pakhwada and the outcome of concerted efforts. Since the theme was to increase male engagement during Pakhwada, they were advised to involve daily wage earners, factory workers, construction workers and other sectors which are male dominated areas of workforce.

LAUNCH

Poshan Pakhwada was launched by Hon’ble Chief Minister, Haryana in a State Level Function held at Gurugram on 8\textsuperscript{th} March, 2020. The function was attended by approximately 500 people. During the function poshan pledge was administrated by Hon’ble CM. The function was telecast live throughout Haryana. Poshan Anthem was also played in the function. IEC material including Brochures on Anaemia, Poshan ke 5 sutra i.e first golden 1000 days, nutrient rich foods, Anaemia prevention, Diarrhea management, hygiene and
sanitation, Dialogue cards, Flip book, two recipe books were unveiled on 8th March, 2020 by Hon’ble Chief Minister.

POWER OF GRAM SABHA TOWARDS HEALTHY HARYANA

All Gram Sabhas were designated as Poshan Panchayats in the States. To ensure greater outreach among people Poshan Pakhwada was launched in every village through Gram Sabha’s on 8th March, 2020. Special focus was laid on Gram Sabha meetings to ensure reaching the community upto grass root level and to ensure participation of male population. 6250 Gram Sabha meetings were held in all villages of the State. 461786 people participated in Gram Sabha meetings including 267784 women and 194002 men. The Gram Sabha meetings were chaired by the Sarpanches of respective villages. During these Gram Sabha meetings issues related to Anaemia, nutrition, safety of women and drugs were discussed. Talks were also given by functionaries of Health Department, Women & Child Development Department and Police Department.

A pledge was also taken in the Gram Sabha meetings to make Poshan Abhiyaan a Jan Andolan and to spread the message of nutrition in every house, school, village and city. IEC material like brochures on Anaemia were distributed and Poshan ke 5 Sutra i.e first golden 1000 days, nutrient rich foods, Anaemia prevention, Diarrhoea management, Hygiene and Sanitation were discussed during Gram Sabha meetings.
